Burleigh Grimes, who has been called back to the Birmingham Barons in the Southern League, by Manager Molkevold, twirled his final game for the Colts yesterday afternoon and scored a 4 to 1 victory over the Roanoke Tigers, being given splendid support by the outfield, especially by Berger.

Southpaw Pool, on the mound for Roanoke, was hit freely. He let loose with wild pitches, one of which enabled Grimes to cross the rubber. The game was called at the end of the sixth inning by Umpire Franklin in account of darkness, the six frames having gone for one hour and twenty minutes.

Schweitzer singled in the first inning and took second on an error by Welch, and scored. He was thrown out from shortstop, and when he singled, went to third on a wild beat by Berger and scored on Berger's out from second to first.

The Colts made two more runs in the second frame on four singles and a sacrifice. Gray and Snyder singled, Bunting advanced each with a sacrifice, and then three runs came in on a sacrifice fly by Snyder, followed by a hit from Grimes to right. Schweitzer singled to left, but Grimes was out, Pool safe.

In the third inning Pool beat out a bunt to first base, and was out at second on Moran's fielder's choice. Moran then advanced to third, and scored when Snyder committed two errors in succession. Snyder dropped the ball through to catch Goetz, and then threw it to Ryan in an effort to catch Moran, allowing the visitor to cross the rubber. In the fifth, both teams made their final score in the ninth, and the game was over.

Umpire Franklin created some amusement when he rushed to the grand stand and took a position before the start, and those who wanted to get with the other umpires, The score follows:
